

NexaTech — Company Policies

Document Type: Internal Company Policy

Company: NexaTech Solutions

Effective Date: January 1, 2026

Last Updated: August 15, 2026

1. Overview

NexaTech Solutions is committed to maintaining a professional, secure, and customer-focused working environment. These policies apply to all full-time employees, part-time employees, contractors, and interns unless otherwise specified.

2. Working Hours

NexaTech employees normally work Monday through Friday from 9:00 AM to 5:00 PM.

Employees may work remotely up to three days per week. Remote work must be coordinated with the employee's team manager.

Employees are expected to remain reachable during core working hours from 10:00 AM to 3:00 PM.

3. Remote Work Policy

Employees working remotely must have a reliable internet connection and a suitable workspace.

Company laptops must not be shared with other people.

Employees must use the company's approved VPN when accessing internal systems from an unsecured network.

Sensitive company information must not be stored on personal cloud storage services.

4. Paid Time Off

Full-time employees receive 25 days of paid annual leave per calendar year.

Employees should request annual leave at least five working days in advance.

Emergency leave may be requested without the five-day notice requirement.

Unused annual leave may be carried over to the following year, up to a maximum of 10 days.

5. Sick Leave

Employees who are unable to work because of illness must notify their manager before the beginning of their working day whenever reasonably possible.

For absences longer than three consecutive working days, employees may be asked to provide appropriate medical documentation.

6. Information Security

Employees must use strong, unique passwords for company accounts.

Multi-factor authentication is mandatory for all systems that support it.

Employees must never share their company passwords through email, messaging applications, or other communication channels.

Company customer data must only be accessed for legitimate business purposes.

Downloading customer information to personal devices is prohibited unless explicitly authorized by the Security Team.

7. Confidentiality

Employees must protect confidential company information, including:

- Customer information
- Internal financial information
- Product roadmaps
- Source code
- Internal documentation
- Business strategies
- Employee information

Confidential information must not be disclosed to external parties without appropriate authorization.

8. Expense Reimbursement

Employees may request reimbursement for reasonable business expenses.

Expense claims must normally be submitted within 30 days of the expense.

Receipts are required for expenses above \$25.

Travel expenses must be approved by the employee's manager before booking whenever possible.

9. Code of Conduct

Employees are expected to communicate respectfully with colleagues, customers, and partners.

Harassment, discrimination, threats, and intentional workplace misconduct are prohibited.

Employees should report serious workplace concerns to their manager or the Human Resources department.

10. Acceptable Use of Company Resources

Company computers, accounts, software licenses, and cloud resources are primarily intended for business purposes.

Employees must not install unauthorized software on company-managed devices.

Employees must not use company infrastructure for illegal activities, cryptocurrency mining, or activities that could compromise company security.

11. Policy Violations

Violations of company policies may result in corrective action depending on the severity of the violation.

Serious security violations may result in immediate suspension of system access while an investigation is conducted.

12. Policy Questions

Employees who are uncertain about a policy should contact their manager or Human Resources before taking action.

This document represents the general company policy. Individual employment contracts may contain additional requirements.
